A Great Manufacturing Enterprise

We have a manufacturing plant and our own raw material in limitless quantity, but want up to date machinery. Our product is wanted by everybody, and we have a reliable market for many years' output. It sells itself; so we have not to pay agents or give time; and in dull times, when labor is cheap, it sells best. The profits will be over 100 per cent. It is no experiment, for a similar factory that has been in operation for twenty-five years, working up the material that it gets on three sides of our supply, and is exactly like it, cannot meet the ever increasing demand for its product, and its profits are daily increasing. We secured our raw material first, and took the best; then the other factory bought on all sides of us.

We want to sell you some of our treasury stock to buy machinery to work up our raw material, so write at once for prospectus, price of stock and references to the

PLUMA MINING COMPANY, 304 Good Block, Des Moines, Iowa.

Some of the best and most conservative business men in Des Moines are now buying stock, for they at last realize the real-merit and great possibilities of the mine and the earnestness and honesty of the directors.

Our product is gold, and the adjoining factory is the Homestake, the greatest gold mine in the world. The Homestake, when at the same stage that we are now, sold its stock at 30 cents on the dollar, and it is today worth fifty times that price and has produced \$400 of gold for each share issued. We should do as well, having the benefit of the Homestake's methods and experience.

WILL BUY YOU A HOME OR PAY OFF A MORT-

For a small monthly payment WITHOUT INTEREST.

Make your monthly rent charges buy you a home.

Make interest payments cancel your mortgage.

IT CAN BE DONE. IT HAS BEEN DONE.

The Chicago Tribune is responsible for the statement that in Great Britain last year over 25,000 homes were purchased by institutions similar to this, and over \$25,000,000.00 were expended therefor.

How can this be done? By a consolidation and syndication of interests.

A government is a syndication of individuals for governmental purposes. A corporation is a syndication of a FEW men with GREAT capital in order to promote their financial welfare.

This Company proposes to syndicate MANY people with SMALL capital for the same purpose.

DO YOU WANT A HOME? Ask your wife about it?

Are your expenses such that accumulation is exceedingly slow?

We furnish you the best and most economic way of making you independent.

Introductory.

CITY DIRECTORY OFFICE, Oct. 30, 1902.

It is with pleasure we place before the Citizens of Des Moines, Volume XI of our Directory of the Capital City of Iowa, and in doing so, we feel a certain degree of pardonable pride to which we believe we are entitled, as we claim this to be the best directory ever issued for this city. The Information contained herein will be found as complete and correct as it is possible to make a directory, and we ask our patrons to bear with the few errors which may be found. No pains or expense has been spared to produce a directory second to none and we feel safe in saying that we believe our efforts in this regard will be duly appreciated.

POPULATION.

The Directory contains 38,942 names, a gain of 2,142 names as compared with a gain of 1149 in the preceding year. Deducting 6 per cent for firm names, leaves 36,606 names, which, multiplied by 2½, the smallest number used by any directory company, shows the population to be at this time 91,515, an increase over 1901 of 4,115.

We desire to extend our thanks for the patronage given this issue of the work and the uniform courtesy with which our representatives have been met.

Yours respectfully,

R. L. POLK & CO.

Young men and young women desiring an education should note the advantages offered in DRAKE UNIVERSITY.

The College of Liberal Arts offers many inducements to those desiring a thorough collegiate training. The numerous elective courses leading to the different baccalauerate degrees are deservedly popular. The combination courses with Bible, Law, and Medicine are unusually attractive. These combined courses enable the student to save one or two years in time.

The College of Law is not excelled by any other in the West.

The College of Medicine maintains an exceptionally high standard. The hos pital facilities accessible to the student are very superior.

The College of the Bible is one of the largest in the United States.

The Conservatory of Music has the ablest faculty maintained by any Musi school in Iowa. The prices are moderate.

The College of Pharmacy is growing in popularity and in efficiency. Its grad nates are given state certificates to practice their profession without examination

The Dental College begins the new year with new equipment and with the brightest of prospects.

TEACHERS

Have their choice of a number of excellent courses in DRAKE UNIVERSITY.

- The State Diploma Course.
- The State Certificate Course.
- The County Certificate Course.
- The Kindergarten Teachers' Training Course
- 5. The Primary Teachers' Training Course.6. The Public School Music Supervisor's Course.

The University takes special care to find desirable positions for teachers who finish any of these special courses. Every teacher graduating in 1902 was located at a good salary. We are not able to supply the demand for well trained teachers.

The Oratory School is well known throughout the West as one of the very best in the country.

The Commercial and Shorthand Schools are growing rapidly because they do efficient work and because the prices are reasonable.

The College Preparatory School is well equipped to do most satisfactory work.

The expenses here are as low as at any other school offering equal advantages.

Each college and special school is represented by a-special announcement. for the one in which you are interested.

All correspondence regarding any of the colleges or special schools in order to receive prompt and careful attention should be addressed to

The Best Ten-Center Made. All Havana.

HAWKEYE

This Cigar has been on the market as a Ten-cent Cigar for 23 years, and it is still the same as when started. We do not use seed filler and call it Havana. Smoke the HAWKEYE and you always get your money's worth.

The Friend of the People. It is better than a great many Ten-cent Cigars.
